Camp Orchard Hill is pleased to provide you with transportation services to our Day Camp.

As with all our programs your child's safety is most important to us. To insure the safety of your children we have leased/purchased 2015 or newer 15 passenger vans for the summer program as well as hiring Davis Bus Company. Our driver's skills have been tested and we have checked their driving record for any violations. In addition to the driver, we will have a Camp Orchard Hill counselor to supervise the children and provide a camp experience for them while coming to and from camp.

In order to give your child the safest and most efficient ride to camp we have designated centrally located stops for pick up and drop off. If there is enough need we will consider adding additional stops and pick up and drop off times that are not included at the end of this letter.

For everyone's safety we have the following rules for the van. Please discuss these with your child.

1. Parents are responsible for getting your child on and off the van/bus. You must sign your child in and out with the van/bus counselor each day.
2. Campers need to listen and obey the van/bus counselor and driver.
3. Campers need to be seated and have their seat belt fastened at all times.
4. Once seated do not change seats.
5. Tell your counselor if you have any problems on the van/bus.
6. Do not leave your seat to get off the van/bus until the vehicle has come to a complete stop.

If you cannot make the van or cannot come any particular day or have any questions please call the office at 570.333.4098 or Jen at 570.778.7499 to let us know.

**If you are not at the stop and we believe you should be, we will call you.
The call will most likely come from one of our counselor's cell phone and will not be a
number you recognize.**
