

"NOTHING MAKES ME *HAPPIER* THAN A LETTER LIKE THIS!"

.....

Dear Scholarship Partner,

Few things make me happier than helping a young man or woman get to camp.

As I write, requests for scholarship help are pouring into our office from young people and their parents who want to attend our camp programs.

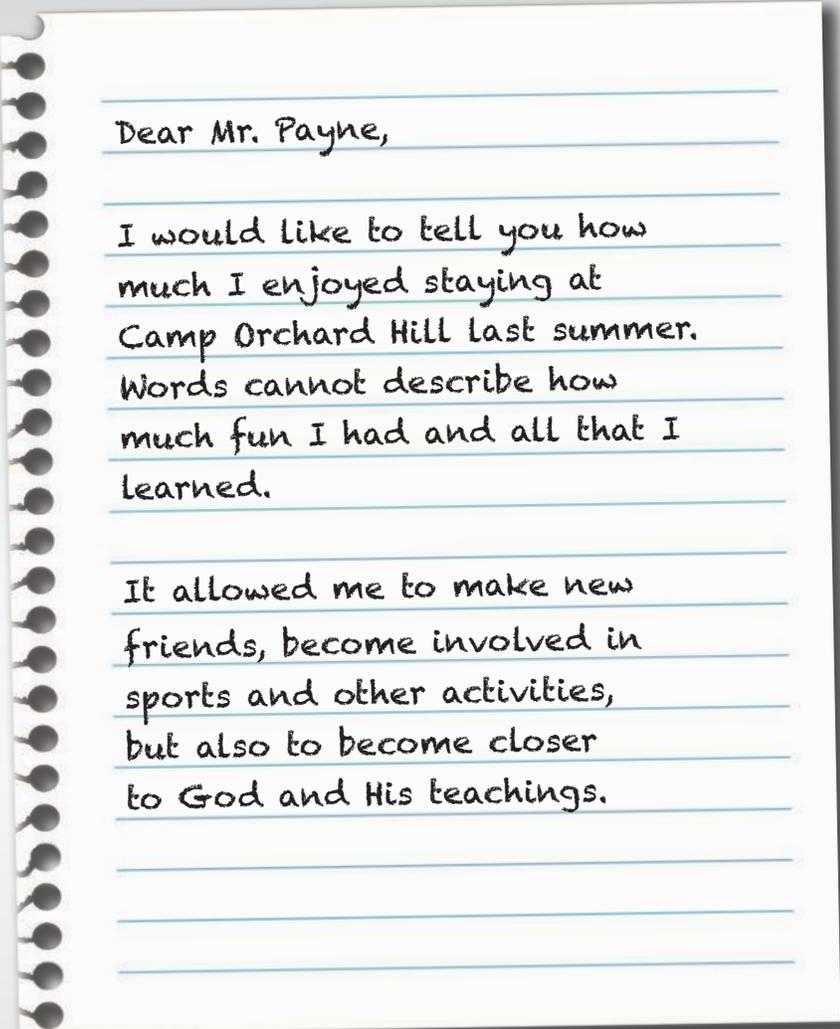

As a friend of Camp Orchard Hill, you know that thousands

of young people are making summer plans to come to camp. And that's why I'm planning to raise enough money to help 450 kids this summer.

THAT'S WHY I'M WRITING TO YOU!

It's no secret that our camps are growing larger than they ever have before. More young people will need the kind of help that generous friends like you have given in the past.

.....

I loved how every morning we went into the prayer hall to listen to spiritual music and learn about Jesus. In all, I had a great time at camp and I hope to attend this year.

- Summer Camper

Our goal is to help 450 kids come to camp in 2019! We turn no camper away who has a legitimate financial need. Because of this, we anticipate needing \$100,000 to help kids come to camp.

Will you help a young man or woman come to camp? Full sponsorship for one child is \$400 and multiple sponsorships are welcome. Often, families need only partial funding to afford camp, so your \$400 gift may help multiple campers. Please help a child. Please change a life!

P.S.

Your full scholarship of \$400, or half scholarship of \$200, matters and will help! Of course, any scholarship gift, large or small, is gratefully accepted!
