Please turn over for more information regarding transportation....

Camp Orchard Hill is pleased to provide you with transportation services to our Day Camp!

As with all our programs your child's safety is most important to us. We have contracted with Davis Bus Company in order to provide safe and reliable transportation for your camper(s). We will have a Camp Orchard Hill counselor on each van or bus to help you're your camper in and out and to supervise the children while coming to and from camp.

In order to give your child the safest and most efficient ride to camp we have designated centrally located stops for pick-up and drop-off. If there are enough campers, we will consider additional stops and will revise the pick-up and drop-off times.

For everyone's safety we have the following rules for the bus. Please discuss these with your child.

1. Parents are responsible for getting your child on and off the van/bus. Please look for a Camp Orchard Hill sign in the window of the bus. You must sign your child in and out with the van/bus counselor each day.
2. Campers need to listen and obey the van/bus counselor and driver.
3. Campers need to remain seated and fasten a safety belt (for vans).
4. Once seated do not change seats.
5. Tell your counselor if you have any problems on the van/bus.
6. Do not leave your seat to get off the van/bus until the vehicle has come to a complete stop.

If you cannot meet the van/bus or cannot attend camp on a particular day, please call the camp office at (570) 333-4098. Please know that voicemails are checked regularly outside of office hours. The bus or van will wait at each designated stop until the scheduled departure time, and then the bus must continue on its route.

Any changes in the transportation schedule prior to the start of camp or the camp week will be communicated via email. In the case of an emergency that would affect camper pick up or drop off time and location, we will contact you via text messaging and/or phone call.
