

Dear Camp Orchard Hill Community:

As the spread of COVID-19 continues, we are all in uncharted waters together. A verse that has always brought me comfort during difficult times is Psalm 46:1 “God is our refuge and strength, always ready to help in times of trouble.” (NLT) These are unprecedented times but our God is in control even when the world around us seems out of control.

Camp Orchard Hill is currently closed as we continue to monitor the situation and follow all guidelines and recommendations established by the CDC, Department of Health and government agencies. During this time, we are cleaning, disinfecting and making improvements to better serve you our guests when we are able to reopen.

Although we can't be certain, we believe our summer programming will continue as planned. Registration is open for our Father and Son Retreat, Memorial Day Family Camp, Day Camp, Overnight Camp and Leadership Training summer programs.

**In the event that we have to cancel or reschedule a program, your deposits and fees are transferable and fully refundable.**

We want to continue to build community during this pause in normal programming. We're providing a '**LIVE at Lunch**' daily check-in on our Facebook and Instagram accounts! If you're home from school or working from home, tune-in for fun ideas, resources and the encouragement that comes from being together. We look forward to seeing you there!
