

INTRODUCING THE BEST *week* EVER RESPITE CARE AND EDUCATION POD

AN ESTABLISHED GROUP OF STUDENTS

OVERCOMING THE CHALLENGES OF 2020 TOGETHER!

In response to the needs of our community, Camp Orchard Hill will be offering a remote education pod and respite care program - to provide much needed socialization for students with special needs and to allow parents to fulfill their work obligations when their kids are not able to be in school. Students will have a safe and structured environment to implement the academic goals provided by their school district, as well as benefit from the fun and socialization available in our Best Week Ever programs. We are forming our pod now and space will be limited!
