## HELP US SAY YES!

Dear Friend,

As I write this letter, requests are pouring into our office for financial help. Last year, thanks to the generosity of friends like you, 382 young people received financial help, enabling them to come to summer camp.

Friends like you made a difference in their lives last year . . .

**And today, your actions can make that difference again!**

Camp starts on June 8th and I need your help in raising the \$140,000 that will be used to help send young people to summer camp at Camp Orchard Hill. That's right...last summer we awarded \$140,000 in financial aid to 382 young people, across three campuses!

**I anticipate needing the same amount or more again this year.**

And, as you can see from the note below, your gift to the scholarship fund will have a profound effect in the life of a young person. Please take a moment and read the note below.

## SEE FOR YOURSELF HOW IMPORTANT YOUR SUPPORT IS:

“ Thank you to everyone who donates past and present. My 14 year old has gone to Camp Orchard Hill for the last 4-5 years because of your donations. My 7 year old went to Day Camp this past summer. I spent many years angry at God and did not introduce my kids to him and his word. We go to church now because my kids begged me until I caved. Camp is their absolute favorite thing they do. They talk about it all the time. They share the things they've learned with family and friends. I am filled with gratitude every time my 14 year old runs into someone he went to camp with. I have so much appreciation for everyone who made it possible. Thank you from our family to Mr. Jim, all the staff at camp, and the ones donating so it's possible for kids whose families can't afford it to have the most fun camp experience while building a relationship with God. Thank you!!! -2025 SCHOLARSHIP PARENT

## AND IT'S NOT JUST UNDER-RESOURCED CAMPERS THAT BENEFIT.

Camp provides financial aid for children with special support needs to attend our fully-inclusive day camp program. The beauty of our program is that EVERYONE participates in ALL of the activities together and the results are incredible! Here's what one parent shared:

*"My son has been making friends and playing with typical peers which is amazing to watch since he is autistic and nonspeaking. He also has been trying things he never has before."* - 2025 SPECIAL NEEDS GRANT PARENT

**Help us SAY YES this summer with a gift to the scholarship fund!**

My promise to you is that with your gift, I will do my best to help those who really need support and can't make it to camp without the gift you and others provide.
